Gotta highlight some cool things my friends at [@gcsaa](#) are doing: the most recent [@firstgreenbygcsaa](#) field trip was a huge success! Westminster National Golf Course in Westminster Maryland hosted the curious crew.

Shoutout to Ryan Kraushofer, CGCS - Superintendent [@GolfSuper2GM](#) and the [@MidAtlGCSAA](#)

They hosted 86 5th graders from Carroll County Public Schools

\*To date, over 160 First Green Field Trips in 39 states introducing over 7,000 kids to careers in golf course management as well as the game of golf through hands on STEM learning labs hosted by golf course superintendents.
